**Garden City, NY --** The National Association of Professional Women (NAPW) honors Jacqueline Robinson as a 2015-2016 inductee into the NAPW VIP Woman of the Year Circle. She is recognized with this prestigious distinction for leadership in consulting services. With more than 850,000 members and over 200 operating Local Chapters, NAPW is the nation’s leading networking organization exclusively for professional women.

*“I’m pleased to welcome Jacqueline into this exceptional group of professional women,” said NAPW President Star Jones. “Her knowledge and experience in her industry are valuable assets to her company and community.”*

In 2015, Jacqueline Robinson started up her own company, [Retire and Reinvent](#), a division of JRR Consulting as a result of being downsized after 30 years in the pharmaceutical industry. She became a Certified Seminar Leader through the American Seminar Leaders Association and developed “Passion & Purpose: A Guide to Rewriting Life after Retirement.” She believes that “transitioning into the next phase of life is about utilizing the talents and skills that you enjoy and / or learning new skills to serve a purpose that makes your life more fulfilling and hopefully allows you to be of service to others too.”

Currently a one-person operation, Ms. Robinson’s goal is to get the word out about her seminars to her target audience, which is professional, middle-aged women. She is also responsible for developing short- and long-term strategies for the business, as well as financing.

In 2016, Ms. Robinson is introducing a live webinar workshop, “Rewriting Life with Passion.” It is a four-week program designed for small group participation. “The purpose is to serve as an accountability and support network as we work together to identify each participant’s passion and create an action plan to allow those passions to serve a purpose.”

For those interested in enrolling in the workshop or seminar, they may contact Ms. Robinson through the website’s contact page or the information provided above. “As a way of introducing the live webinar workshop, I will also be offering a one hour complimentary webinar,” she said.
